

**2008 SPRING OLYMPIAD CAMPOREE**  
**THUNDERBIRD DISTRICT, LOS ANGELES AREA COUNCIL**  
**APRIL 11-13, 2008**  
**CAMP JOSEPHO, PACIFIC PALISADES**

For centuries, men and women from all over the world have gathered to partake in the Olympic Games. In many cases, the athletes who have made it to the games have dedicated their lives to their sport. Ever since the Olympics began in Greece, teamwork, friendly competition, and sportsmanship have been essential parts of the champions' successes. These ideals are also held very high in Boy Scouting.

This April, shortly before the starting of the 2008 Summer Olympics, the Boy Scouts of the Thunderbird District will gather for a weekend of scouting games and international displays. We will be honoring the high ideals and mix of global cultures that make the Olympic Games great.
